
Resident's Christmas Party

Thursday 14th December 2023

The Christmas Party held on December 14th was a resounding success, fostering a warm and homely atmosphere for our residents. Our dedicated staff dressed up, serenaded the audience with Christmas carols, and organized a delightful buffet dinner.

The afternoon was further elevated by the captivating performance of singer Paul Gibson, who added a festive touch with his renditions of Christmas songs. The event was thoroughly enjoyed by all, enhancing the sense of togetherness and creating lasting memories of a joyous celebration.

ENHANCING RESIDENT ENGAGEMENT OPPORTUNITIES

Wednesday 27th March

We've recently adjusted our exercise session schedule, now offering two sessions per month instead of one. This adjustment has brought about significant positive changes, particularly benefiting residents Julie and Elizabeth, who encounter challenges when participating in lounge-organized activities due to their conditions.

The increased frequency of exercise sessions has provided Julie and Elizabeth with more opportunities to engage actively. They've embraced this change wholeheartedly, taking the initiative to communicate with the instructor about their specific needs and preferences. This newfound involvement has not only improved their physical well-being but also boosted their overall sense of belonging and connection within the community.

By creating a more inclusive environment and accommodating individual needs, we're fostering a supportive atmosphere where every resident feels valued and empowered to participate

MOTHER'S DAY

Sunday 10th March 2024

For Mother's Day, we wanted to express our appreciation for all the wonderful mothers here at Westcroft. In a heartfelt gesture, we prepared a small treat using our cherished traditional tea cups.

Despite its simplicity, the gesture was met with overwhelming gratitude and joy from our dear moms. Witnessing their smiles and happy tears was truly touching and reminded us of the profound emotional connections fostered within our community.

It's moments like these that reaffirm the importance of celebrating love and togetherness.

CHINESE NEW YEAR'S DAY

Friday 9th February 2024

At our home, we strive to embrace diversity and incorporate a variety of cultural activities into our schedule. We couldn't let Chinese New Year pass without celebration, so we organized a special event to mark the occasion. On this day, everyone had Chinese dinner and we challenged ourselves to test our chopstick skills by using them to transfer different-sized pom poms—a fun and engaging way to immerse our residents in Chinese culture.

Decorating our home in the festive theme added to the excitement of the day. We believe that by including different cultural celebrations, we enrich the experiences of our residents and create a more inclusive environment. These activities not only bring smiles to everyone's faces but also broaden our horizons and enhance our appreciation for the diverse world around us.
