#### The results of their work.

#### Remember the Fallen (D Day)

The sand in their boots wasn't English Nor the water that lapped on the shore They ran and they swam onto beaches in France Not really knowing what for

The Allied invasion of Europe With "Liberation" the Clarion call Those who were chosen by fate to survive And those who were chosen to fall

Gunfire and shell all around them Frightened and Frozen and Lost While we remember the glory of D Day We must also remember the cost

Wave after wave of young warriors Heroes, each one, to a man Lambs to the slaughter in freezing cold water Remember them now while we can
